Jazz and Light Music

A nightingale sang in Berkley Square
And I love you so
A whiter shad of pale
Blue moon
Crazy
Don't get around much anymore
Every time we say goodbye
Embraceable you
Fools rush in
Green green grass of home
Have I told you lately
I'll be seeing you
I've got you under my skin
Love is many splendoured thing
Love story
Many rivers to cross
My funny valentine
Night and day
People
Secret love
Starry, starry night
Summertime
True love
The first time I ever saw your face
The look of love
We have all the time in the world
What the world needs now is love
When a man loves a woman
You don't have to say you love me

Aint misbehavin'
 Annie's song
 Bewitched
 Can't help lovin' dat man
 Cry me a river
 Dream a little dream of me
 Everybody loves somebody
 Fascinating rhythm
 Fly me to the moon
 How deep is your love
 I can see clearly now
 La vie en rose
 Lover man
 Moonlight serenade
 My heart belongs to me
 On the wings of love
 Smile
 Smoke gets in your eyes
 S'wonderful
 The man I love
 Tenderly
 Unforgettable
 When I fall in love
 Alfie
 As time goes by
 Bridge over troubled water
 Days of wine and roses
 Dream
 Every breath you take
 Feelings
 Georgia on my mind
 Get here
 I only have eyes for you
 Killing me softly
 I get a kick out of you
 My way
 Misty
 Over the rainbow
 Scarborough Fair
 Strangers in the night
 So in love
 Try a little tenderness
 Can't help falling in love
 What a wonderful world
